Area Firms Collect Increased Sales Tax

Many Confused Over Exact Rate; Other Tax Boosts in August

Quad-City firms have to dig deeper in their pockets to come up with new taxes authorized by the Illinois Legislature which recessed Saturday morning after a final session lasting 23 hours.

Most merchants throughout the Quad-City area began collecting this morning of new sales taxes authorized in the General Assembly's closing hours. Some said they were confused over procedure, but most said they were charging sales tax at the new rate.

The new sales tax rate which went into effect at 12:01 a.m. Saturday consists of a three-quarters of one percent increase in the state tax (from 3.5 to 4.25 cents) and an increase in city and county sales tax of one-quarter of a cent, raising authorized local levies to three-quarters of a cent.

Local Action Required

The law thus provides a total tax of 5 cents on the dollar, but the one-quarter cent authorized for cities and counties does not become effective until the local bodies approve enacting ordinances.

The new sales tax schedule now effective, as agreed upon by the Illinois Department of Revenue and the Illinois Retail Merchants Association, calls for payment of:

0 to 12 cents—no tax,
13 to 27 cents—1 cent,
28 to 30 cents—3 cents,
31 to 71 cents—3 cents,
72 to 92 cents—4 cents,
93 to \$1.15—5 cents.

For amounts higher, merchants should figure on 4 1/2% of the total transaction until cities and counties enact ordinances to adopt the additional one-quarter cent, the association is advising.

New sales and services broadening the sales tax base become effective at once as a new source of state revenue. The new tax affects machine tools, graphic arts, repair of tangible personal property and medicinal preparations at drug stores. It will raise \$170 million for the biennium.

On Aug. 1 motorists will begin paying an additional one-cent tax on gasoline, raising the present state tax from five to six cents a gallon. This ten-fillon of gas now costing 34.9 cents per gallon will be \$3.38 instead of the present \$3.49.

Cigarettes Up Again

An additional two cents per package on cigarettes also will become effective Aug. 1, as well as a one percent utility tax which the utilities may pass on to their customers. A carbon tax of one cent now costing 27.5 cents will jump to 33 cents and the utility tax, now 5 1/2 cents, will increase to 6 1/2 cents. The utility bill from its present \$21 to \$23.80.

In addition, the new service charge will be more than the tax on prescription drugs. Drugstores previously paid the service tax on what they paid for drugs used in prescriptions. Now, however, the tax is levied on the price the drugstore charges for the prescription.

QUIET MIDWAY of yesterday is expected to be more active during tomorrow's July 4th festivities at Wilson Park. A similar midway is in operation for the Madison Independence Day festival on the Third street recreation grounds at the junior high school.

Fireworks Display in GC and Madison Tomorrow Night

The dual holiday weekend celebrations at Wilson Park in Granite City and at Madison's Third Street picnic grounds will be brought to a climax today and tomorrow.

The crowning touch to all the diversified entertainment which the extended weekend has brought to the Quad-City area will be the fireworks extravaganza tomorrow at 9 p.m. in Granite City and 8:30 p.m. in Madison.

Area residents may expect a spectacular pagentry of fireworks by the sponsors of the Madison fete and the Wilson Park officials. Each of the displays will stage brilliant night-time pyrotechnics costing more than \$1000.

At Wilson Park, special fireworks exhibits will include Niagara Falls, American Flag, Statue of Liberty, a musical wheel, Temple of Flora, Jeweled fountain, crazy wheels, oriental fan, Snoopy and the Red Baron, Bugs Bunny and the traditional "good night" finale.

At Madison, special fireworks exhibits will include Niagara Falls, American Flag, Statue of Liberty, a musical wheel, Temple of Flora, Jeweled fountain, crazy wheels, oriental fan, Snoopy and the Red Baron, Bugs Bunny and the traditional "good night" finale.

Saturday, Baseball Turnouts

Today and tomorrow will see the wind-up of the Wilson Park district's 19th annual fast-pitch softball tournament at Wilson Park.

Rainfall in June Totals 3.66 Inches in Quad-Cities

Even with 12 days of rain last month, total precipitation for the Quad-Cities was below normal for the month. The June total was 3.66 inches, while the normal amount is 4.27 inches.

For the first six months of the year, the total rainfall registered 16.46 inches, which is just 1.61 inch below normal. The rainfall readings are made daily at the Chain of Rocks canal locks.

Heaviest rainfall last month was 1.01 inch measured on the morning of June 22.

The area's precipitation by months follows, with the normal amounts listed in parentheses: January 2.04 inches (1.98 inch), February 1.85 (2.04), March 2.79 (2.54), April 2.90 (3.71), May 3.22 (3.73) and June 3.66 (4.27).

'Emergency' Purchase Double Spraying Planned to Kill Mosquitos

Emergency purchase of a three-quarter ton pickup truck for the city's new insect spray machine was authorized during Saturday's meeting of the Granite City council.

Delivery of the truck was specified for today to begin double operations. The present jeep-mounted fogger is being operated 12-18 hours daily—weather conditions permitting—in an effort to battle the severe invasion by mosquitos.

With nearly round-the-clock operation of the fogger, authorities are advising parents to caution children away from the fog. Not only could the chemicals cause possible harm, but as many as nine youngsters have been seen riding bicycles in the fog, creating a traffic hazard.

About one month ago, one young cyclist was hurt in a bicycle accident in an insect spray fog.

Purchase Arrangement

The new truck is to be obtained today from either Brewer Motor Co. with a low bid of \$1811 or B. H. Hottel, Inc. with a bid of \$1911—whichever can make the fastest delivery.

GC Sewer Revenue Bonds Set At \$170,000

Public Hearing Planned July 22nd; Total Cost Placed at \$256,880

Another two hours was needed Saturday morning by Granite City council members to complete the agenda of last Monday's three-hour meeting, and most of the adjourned session was taken up by the Special Sewer committee.

Alderman Bartoski, committee chairman, who had not been able to submit a report for two weeks running, presented for first reading a resolution calling a public hearing for 10 a.m. on Saturday, July 22, at the city hall on a \$170,000 revenue bond issue for installation of sanitary sewers.

Adoption of the resolution is expected to take place at tonight's regular council session at 8 o'clock despite objections from aldermen Saturday that the revenue bond issue had been proposed at \$125,000 with \$100,000 added cost to be covered from the \$1,500,000 federal grant.

\$86,880 Federal Aid

Bond Attorney Horace Calvo, who prepared the revenue bond issue resolution, listed federal aid at \$86,880, based on figures supplied by the project engineer. It was explained the figure was a limit set by the Housing and Urban Development agency.

"We had said the grant would pay \$100,000, or about half of the estimated cost of the project, and now the people will be paying almost two-thirds the cost," Alderman Rutledge commented.

Bartoski pointed out the federal government provides matching funds only for trunk lines, but that he was hopeful the federal share might be higher since the project was in a sanitary sewer area.

Under the resolution, the cost estimates include \$138,880 for construction of the sanitary sewer, \$13,880 for engineering, \$29,000 for contingencies, \$8000 for legal expense and \$8000 for interest costs, for a total cost of \$256,880.

Areas to Get Sewers

The areas in which sanitary sewers are to be installed are North Granite, the Mercer drive and a section of Wabash avenue, the four homes on West Pontoon road, the area of Granite Heights near West 24th street and Highland avenue, West 22nd street and Nevada avenue and Union subdivision at the end of Cayuga and Denver streets.

Fees to be charged property owners for the service are the same as those in the 18thick.

Vacation Closings At General Steel, American Steel

Vacation shutdowns for two major industries here started today and a third plant expects to close for vacations either Thursday or Friday.

About 1700 workers at General Steel Industries castings division plant here are on vacation for two weeks, along with 1350 workers at American Steel Foundries. Work schedules are to be resumed July 17.

At both plants, repair and maintenance crews are remaining on their jobs.

The A. O. Smith Corp. auto manufacturing plant is scheduled to shut down either at midnight Thursday or on Friday to changeover for the 1968 models of Chevrolets. Most of the 1000 production workers will be taking their vacations for the two-week period.

Production is scheduled to be resumed July 24. About 300 workers will remain at the plant to convert the production lines for the new model frames.

9-Hour Repair Job On Broken Main

A break in an 18-inch water main at a connection occurred about 6:30 p.m. Sunday along Benton street at the Wilson Park tennis courts, and a three-man maintenance crew was on the job until 3:30 a.m. today to complete repairs.

A spokesman for East St. Louis & Interurban Water Co. said that while the line was turned off partially for a half hour after midnight, only a few homes in the immediate vicinity were without water for that period.

The main was turned off partially to ease the water pressure while repairs were under way. It was necessary for gasoline-powered pumps to be in operation most of the night.

The main runs from the Logan street plant into the Namook area.

Fire Causes Damage of \$1500 at Madison Home

Damage estimated at \$1500 was caused by fire at the home of Floyd Wilkinson, 117 West Second street, Madison, yesterday. Firemen received the alarm at 5:50 a.m. and were at the scene two hours.

Fire Chief E. G. Miller said the fire apparently was caused by defective wiring. The residence, a basement home, was partially gutted, Miller said. Firemen also were called at 3:25 a.m. yesterday to West 24th and Jackson streets to extinguish a fire in a 1951 model auto, apparently caused by careless smoking. The car was owned by James Davidson, St. Louis.

CD Siren Test in GC 10:30 a.m. Tomorrow

Granite City's seven-siren warning network, which is tested the first Tuesday of every month, will sound off again tomorrow at 10:30 a.m. — the July 4th holiday.

During the test, the sirens will sound a one-minute "Tornado Alert" signal—a steady blast—followed with one minute of silence and concluding with a one-minute sounding of the "Take Cover" signal—a wavering or undulating sound.

In actual alerts, the "Tornado Alert" signal would sound for three-to-five minutes, while the "Take Cover" signal would last a full three minutes.

The session started out in a hectic manner with Aldermen Rutledge and Robertson in a verbal exchange over revisions requested by Robertson, but then the 10 council members present bore down and completed the preliminary review in 2 1/2 hours.

Since only 10 of the 16 aldermen were present, Rutledge, chairman of the Finance committee, suggested any drastic revision be delayed until a regular council session. Mayor Partey added that there definitely would be some cutting.

Friction Ignites Gasoline-Soaked Blouse, Injuring 2

A Venice girl, 12, suffered second degree burns to her right leg Saturday afternoon when she fell while running to assist her mother after a gasoline-soaked blouse ignited as the mother was attempting to remove paint stains.

Mrs. Elmer (Gladys) Nash, 603 Fillmore avenue, said she dropped the blouse to the kitchen floor when it burst into flames, and her daughter, Arlene, 12, slipped and fell on it while running into the kitchen from another room.

The girl's leg was blistered and burned from her ankle to above her knee, and Mrs. Nash who was not burned when the blouse ignited, suffered burns to her left hand as she aided her daughter.

Arlene, a junior high student, was taken to St. John's Hospital, St. Louis, with police escort, and was released after treatment.

Mrs. Nash said she had gotten green enamel on the blouse while painting a door frame, and was using gasoline to remove the paint.

"I was rubbing the cloth of the cotton blouse together to scrub out the paint, and I guess the friction ignited the gasoline fumes. A flame shot all the way across the kitchen," she told the Press-Record.

Compared to the budget—without the special improvements— income would be \$160,925 to \$126,925 short.

Special improvements, paid for from the sales tax reserve last year, amounted to \$110,865, and are expected to at least equal that amount this year as proposed during recent council sessions.

Full Time Attorney

Major changes in the new budget include \$15,000 plus added expenditures for hiring a full-time attorney instead of a part-time attorney and part-time assistant.

The fire department has included in its proposed budget \$40,000 for a new pumpier fire truck, \$21,000 for a fire added fireman and \$7500 for a fire inspector. Major additions in the proposed street department budget are \$15,000 for a fence along Route 151 in West Granite, \$10,000 for a new high lift machine and \$5000 for a grease gun.

Hospitalization insurance for city employees increases the insurance premium cost from \$1897 last year to an estimated \$26,000 this year, and the new budget (Continued on page 19, col. 1)

Cigaret Blamed for \$1400 Fire in House

A cigarette on a mattress caused \$1400 smoke and fire damage early Saturday at the home of Gene Bode, 2119 Fourteenth street. Firemen said no one was hurt.

The alarm was sounded at 12:40 a.m. and firemen found there was damage to a bed, mattress, floor and walls in the bedroom and smoke damage throughout the house.

The estimate included \$600 to contents and \$800 to the building.

Register Thursday for Mitchell Swim Course

The Tri-City chapter of the American Red Cross, in conjunction with the waterfront staff at Fun 'N' Sun Beach Resort, Mitchell, will conduct beginner swimming classes every Monday, Wednesday and Friday, from 9 a.m. to 10 a.m. for children 5-13 years of age. The classes will begin July 10 and conclude Aug. 4.

Alan Nicol, head guard and program coordinator, said today a registration session will be held Thursday, July 6, at 9 a.m. All those eligible for summer membership at the resort may participate in the program, with those holding current summer membership at the resort holding preference over others. The classes will be offered free of charge, with enrollment limited to 75 children.

The classes will be conducted under the direction of Nicol and local Red Cross officials. Instructors will be Nicol, William Lierman and John Matras, with others from the waterfront staff assisting.

In addition to the beginner swimming classes, Red Cross and senior citizens classes will be offered, along with adult men and women's swimming lessons. A senior life-saving class is presently being conducted by SIU-SW in cooperation with Tri-City chapter and Madison county chapter officials. Those wishing further information concerning children's classes, adult classes, or senior life-saving classes may contact Fun 'N' Sun, WE 1-1181.

In miscellaneous action, the council authorized \$200 to be placed in the new budget to buy a van-type truck for the city painter from parking meter funds. The city has bids of \$188 from Mathews Chevrolet Co. and \$244 from B. E. Hohl, Inc. The firm with the faster delivery date is to get the order, the council decided.

10 Traffic Arrests By Granite City Police

Traffic arrest tickets were issued to 10 motorists Friday and early Saturday by Granite City police.

Charged with speeding were—Jacqueline Atkins, 17 Meadowlark lane, at 17th and Madison avenue; Harold Larson, 1527 Second street, at 36th and Madison avenue; Elvis P. Well of Ellinsboro, Mo., in the 2100 block of Madison avenue; Herbert Sadler, 1315 Second street, at 23rd and Madison avenue; and Jimmy Seay, 5402 Maryville road, at Nankin and Johnson roads.

Charged with disobeying traffic signals were Francis Graham of East Alton and Rula Reeves, 2003 Bryan avenue, both at Nankin and Johnson roads; while Loren Ebling 129 Central avenue, was charged with operating a motor vehicle with an improper muffler in the 1900 block of State street; Raymond Decker, 1704a Cleveland Blvd., passing on a railroad crossing at 26th street; and William A. Nemeth, 2714 Washington avenue, reckless driving at Nankin road and Faith avenue.

Seven Charges Filled After Police Chase

Seven charges were filed by Venice police against Otis Delano Depree, 21, of St. Louis, late yesterday afternoon, after officers chased Depree in his car for more than a mile before he came to a stop on the east approach of McKinley bridge. Authorities said Depree stopped only after officers fired two warning shots.

Officers said they saw Depree run the stop sign at Klein and Brown streets and gave chase. They reported he ignored the siren and red light, turning right on Broadway. At the bridge approach Depree ran the toll gate, officers said. After two warning shots were fired, Depree halted his car.

He was charged with two counts of careless driving, running a stop sign, speeding, failure to pay bridge toll, attempting to elude police officers and driving without state license. Depree was held in the Venice jail this morning in lieu of \$500 cash bail.

Motorist is Charged

A charge of following too closely was placed against James Trobaugh, 1408 Iowa street, last night at Edwardsville and Nankin roads. Police said his south-bound pickup truck hit the rear of an auto driven by David Peterson, 1508 Seventh street, Madison, who was stopping for a stop sign.

Autos Collide

Involved in a collision early Saturday on East 23rd street were auto driven by David Peterson, 1508 Seventh street, Madison, and Raymond Higgins of Carlyle.

SERVICE CENTER Supervisor, Miss Betty DeBow, preparing her desk for business after ribbon breaking ceremonies were held inaugurating the EOC Service Center in Madison Friday morning.

Red Smoke Complaints Aired by GC Council

A complaint that red smoke was still coming from Granite City Steel Co. was made during Saturday morning's adjourned meeting of the Granite City council.

Fifth Ward Alderman Steve Basarich commented that the volume seemed to be as great from the new basic oxygen furnace stack as from "all the old open hearth stacks."

An explanation was offered by Fifth Ward Alderman William Dallas, who said that he was being besieged with complaints from Tri-City Park residents that "everything was being covered with a fine, powdery pink dust."

Pink Parakeet, Cat

"Why, I've got a pink parakeet and a pink cat at my house," Dallas remarked, adding that he had gone to company officials and was advised that the firm's multi-million dollar precipitator was not functioning properly and was in the process of being adjusted.

"If you recall," he added, "the company said it might be September or even December before the precipitator is in full operation."

Alderman Gerald Parmley added that he learned construction workers are still on the job there and that the unit is not yet at capacity. He said the dense smoke is emitted when the oxygen lance is lowered into the furnace.

"I was told," Dallas continued, "that there would be the smoke for one to three minutes when the furnace is charged."

Calls for Annexations

Later in the meeting, Alderman Norn, who was chosen by the council to preside in the absence of Mayor Parmley, recommended that city officials meet with officers of Granite City Steel Co. and of Reilly Tar & Chemical Corp. to determine if the mill's blast furnace plant and the Reilly tar plant cannot be annexed to the city.

He pointed out the city is in dire need of added tax revenue, and that the firms want city services at the plants. "I'm sure they would listen to us," he added.

Alderman Rutledge said the mayor had conferred with officials of the two companies on

several occasions about annexation, but that no headway had been made. The mayor is to be asked to arrange another meeting with the firms' officers and the city council.

Truck for Painter

In miscellaneous action, the council authorized \$200 to be placed in the new budget to buy a van-type truck for the city painter from parking meter funds. The city has bids of \$188 from Mathews Chevrolet Co. and \$244 from B. E. Hohl, Inc. The firm with the faster delivery date is to get the order, the council decided.

Alderman Parmley, substituting for vacationing Mayor Johnson, reported that last week's meeting with state highway officials resulted in an agreement for replacement of sidewalk along the east side of Nankin road from Johnson road to Garfield avenue.

Parmley said the state will pay 80% of the replacement cost and the city is to pay 20%.

Drainage Line Bids

Authorization was given for bids to be sought for a drainage line in the 1600 block alley between Olive and Chestnut streets. The line will drain a new city playground being developed on property that is on loan to the city by American Steel Foundries.

Rutledge called for new signs to be installed along Niedringhaus avenue at the American Steel plant to eliminate not only parking but also double-parking by persons at shift changing time.

Verdict of Accident In Death of Boy, Two

A verdict of accidental death was returned Thursday night by a coroner's jury investigating the traffic death of Allen Luther Elders, two. The child was fatally injured Sunday, June 25, in the street in front of his home, 2808 Birch avenue, when struck by a car.

Coroner Leonard Davis said all available evidence supported the accidental verdict. He said a number of depositions were presented but they referred to facts before and after the accident. No eye witnesses to the accident were found and the speed of the car never was determined officially.

James Kietly, 16, of 3275 Franklin blvd., said he did not see the boy. He said he felt something hit the front of the car, as he was going by a parked car. He estimated his speed at 20 miles per hour. Kietly was charged with reckless driving after the accident.

Speeding Ticket

Sharon Lynn, 4200 Maryville road, was issued an arrest warrant Thursday in the 1600 block of Madison avenue on a charge of speeding.

4 Local Troops Of Boy Scouts at Camp This Week

Four Unit (Quad-City) Boy Scout district troops reported to Camp Simen, Morris, Mo., yesterday to participate in the second of six one-week camping periods scheduled there for Carlin's Scout Council at Camp Simen.

They will remain at the large scout reservation in the Ozarks through Saturday, July 8.

The Quad-City troops are represented by three troops, including 58 scouts and 10 adult leaders, in the first week, ending July 1. Also, junior leaders spending the week of June 19-24 at Camp Simen included 16 Quad-City youths.

Adults accompany each group of scouts and explorers attending the camp. In addition, the permanent 1967 season Camp Simen staff of 27 includes 19 adults.

SIU Board Revises Fees for SIU-SW Part-Time Students

A change in tuition and fee of academic work per quarter, those taking six to ten credit students at Southwestern university was approved Thursday by the University's board of trustees, meeting at Carbondale.

Under the new system, to take sandwich in courses for college credit.

Illinois residents taking less than six credit hours of college work will pay tuition and fees totaling \$30.50 per quarter. Those taking six to ten credit hours will pay \$55, while those taking more than ten credit hours will pay \$80.50.

Out-of-state students in the first category will pay \$66.50; in the middle category \$143; and those taking a full load will pay \$210.50.

The new schedule will assist the educational program of the state and will not be detrimental to the estimated income of the university, Morris said.

2 GC Business Teachers Receive On-Job Training

Two business education teachers at Granite City high school are getting "on the job" training at First Granite City National Bank this summer.

The teachers, Mrs. Louise Palau and Miss Hazel Towery, began at the bank last week and will work four more weeks as part of an occupational business-work experience course which they are taking at the Southwestern campus of Southern Illinois University.

While working as clerk-stenographers, they are being given an opportunity to visit the various departments in the bank and sample beginning jobs of different sorts.

Miss Towery was enthusiastic about the value of this work to her teaching.

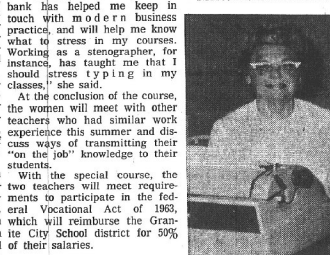

"I think that working in the bank has helped me keep in touch with modern business practices, and will help me know what to stress in my courses. Working as a stenographer, for instance, has taught me that I should stress typing in my classes," she said.

At the conclusion of the course, the women will meet with other teachers who had similar work experience this summer and discuss ways of transmitting their "on the job" knowledge to their students.

With the special course, the two teachers will meet requirements to participate in the federal Vocational Act of 1963, which will reimburse the Granite City School district for 50% of their salaries.

Millikin and Breedlove Nuptials in Pine Bluff, Ark.

Miss Patricia Sue Breedlove, Eleanor Breedlove of Tulsa, and Robert H. Millikin were Okla., maid of honor, was in a married Friday evening in Central Presbyterian Church, Pine Bluff, Ark.

The bride is a daughter of Mrs. Neil Calkins Breedlove of Pine Bluff. The bridegroom's parents are Mr. and Mrs. J. W. Millikin of this city.

Rev. Robert Shepperson officiated at the 8:30 candlelight ceremony. Mrs. Bertha Goodman presided at the organ and accompanied the soloist, Miss Dorothy Laudon.

The bride, given in marriage by her brother, Bruce Breedlove, wore a slim gown of beau de soie. The bodice featured a scoop neckline and the skirt extended into princess lines. Over the dress was worn a Chantilly lace coat opened from the bodice to the floor.

The coat was styled with short sleeves and a rounded neckline. A beau de soie band marked the Empire waist and from the neckline the coat fell into a wide court train.

An imported illusion veil was attached to petals of lace and pearls, ending at the edge of the train. The veil was designed especially for the bride by a firm in Phoenix, Arizona.

She carried a colonial bouquet of gardenias and pink rose buds and a lace handkerchief, a gift from her mother. Also worn was the bridegroom's gift, a pair of pearl ear rings.

A sister of the bride, Miss Arizona.

\$50,000 Suit Filed in Fatal Venice Shooting

A suit for \$50,000 damages growing out of the fatal shooting last Jan. 18 of Allen B. Cox, 27, in Venice, has been filed in circuit court at Edwardsville against the city of Venice and Johnny Crook, Venice police paragon.

Mrs. Bertha Mae Cox, 508 Slough road, Venice, plaintiff in the suit, alleges the shooting was "without cause or reason." Cox died in St. Elizabeth Hospital of a gunshot wound a short time after the shooting.

His death followed within eight hours a fire in which three children of Allen's brother, Eugene Cox, 515 Slough road, were burned to death. The children were from 11 months to four years of age and were home alone when the fire started, apparently from a defective stove.

According to police accounts, Allen, Eugene and another brother, Roy Lee Cox, were at the Robin's Nest Tavern on Slough road and became involved in an argument about the fire. Patrolman Crook was called to the tavern.

Crook reported that he quieted the fire and left the tavern, to be called back 20 minutes later. He arrested the three brothers and placed them in a squad car with Allen in the front seat and Eugene and Roy Lee in the rear seat.

On the way to headquarters, Crook said Eugene seized him around the neck and Allen grabbed his revolver. Crook stopped the car, said off his Slough road and wrestled with Allen. The gun was discharged during the tussle and Cox was shot in the chest.

The widow, in her suit, lists six children she must support.

Council of Mayors Optimists Tour Ice Rink; Cool to Compost System and RIDC Tv Re-Runs Next Program

Granite City Optimists met Thursday afternoon for a picnic luncheon at Wilson Park and later toured the new ice skating rink and recreation facility now nearing completion. Twenty-two members and four guests attended the event.

Special visitors were Granite City Park Commissioners Barry Loman and Milton E. Worthen, who were guests of William Kozay, a club member and park commissioner, and Willard Given and Frank Helwig, mechanical engineers with the St. Louis farm of Belt and Given, consulting engineers for the half-million dollar recreational center and ice rink.

A group was escorted through the facility by Harold Brown, superintendent of parks, who said the concrete

pour of the ice rink bed is expected to take place this week. A brief business meeting was conducted by Wilbert Triebes, retiring club president, who turned over the gavel of office to his successor, Dr. Raymond E. Troyer.

Kozay, who will serve as program chairman for July, announced that Robert C. Glazier, executive director of Kieritz Channel Nine, will be guest speaker at this week's meeting.

The guest's housekeeping topic is entitled "Housebreaking of One-Eyed Monsters," or "What to Do About Summer Re-run on Television."

The educational channel executive will be accompanied here by Basil G. Murray, Kieritz director of school services, who will discuss the "In-School Services of Channel Nine."

Davis Plans Meets to Map Emergency Action

A series of coordinating sessions with Quad-City and Madison county police, sheriff's deputies, Civil Defense workers and others to work out a program to be followed in emergencies is planned by Madison County Coroner Leonard R. Davis, of Granite City.

One such session with police officials already has been held. Davis, former mayor of Granite City, said a series of meetings will be set up, to be attended also by his deputy coroners to determine a course to be followed in the event of a major emergency involving a number of deaths at one time.

Such emergencies as tornadoes or plane crash.

Working out a definite pattern to be followed would eliminate considerable confusion when an emergency arises, he said.

The Elks club was decorated especially to provide the setting for a miscellaneous bridal shower held Wednesday evening for Miss Linda K. Taylor, daughter of Mrs. Clova Taylor, 1603 Fifth street.

Miss Taylor became the bride of John Duffield in a ceremony taking place Saturday morning at First Presbyterian Church. Each table was covered in white and crystal bud vases held flowers of assorted colors. Net of mint green, pale yellow and white was at each place setting as favors. Nut cups filled with assorted mints were on the tables.

The shower was given by Miss Beverly Gadwell, Mrs. Judy Donaldson, Mrs. Anita Lybarger and Mrs. Velda Taylor. Miss Taylor was assisted in opening her many gifts by her mother of honor, Mrs. Velda Taylor, and Mrs. Donaldson. Miss Janice Albers passed the gifts to the various tables to be viewed by those attending.

The hostesses served refreshments following a game period. Present were Mrs. Melba Taylor, Mrs. Reta Douglas, Mrs. Iva Adams, Mrs. Fay Taylor, Mrs. Judy Worth, Mrs. Juanita Brown, Miss Janice Albers, Mrs. Mary Hide, Mrs. Ida Dant, Mrs. Jene Lybarger, Mrs. Dorothy Lybarger, Mrs. Betty Reed, Mrs. Celine Lybarger, Mrs. Sheila Watson, Mrs. Carole Duffadway, Mrs. Martha Jean Hayes, Mrs. Helen Daley, Mrs. Ruth Roberts, Mrs. Billie Bosworth, Miss Grace Costello, Mrs. DeLoyle Rhoads, Mrs. Rita Lybarger, Mrs. Mary Ann Lahay, Mrs. Mary Lou Lybarger, Mrs. Cathy Lybarger, Mrs. Karen Freeman, Mrs. Patricia Amsten, Mrs. Lela Lybarger, Mrs. Shirley Rapoff, Mrs. Lenna Williams and Mrs. Clova Taylor, mother of the honoree.

Those attending an outdoor gathering at the Douglas Teeter home, 2004 Sixth street, honoring Miss Saralena Teeter of Statesville, N. C., included Mary Barr, Robert Barr, Buddy Caffrey, Terry Rhoads and Mrs. Virgie Teeter.

The bride was escorted down the white-carpeted aisle and given in marriage by her brother, Jack P. Taylor. She was attired in an A-line gown of white silk organza appliqued with Chantilly lace. The gown had a rounded neckline and short sleeves, with a flat bow at the back.

Her illusion floor-length veil was held in place by a headpiece of matching organza, and she carried an arrangement of lilies of the valley centered with an orchid, with streamers on her prayer book.

Gary R. Taylor, brother of the bride, was best man. Charles Duffield, brother of the groom, and Michael Douglas, a cousin of the bride, acted as the groomsmen.

The bride's mother was attired in a pastel pink lace dress with matching organza hat. The groom's mother wore an Italian silk dress with matching veil. Both mothers wore Cymbidium orchids.

The bride was graduated from Madison schools and Southern Illinois University and was active in the Alpha Gamma Delta sorority. She is an elementary school teacher in Ingleswood.

The groom is a graduate of the Beverly Hills schools and holds a bachelor of arts degree from the University of Nevada. He is associated with the Executive Products Co. of Beverly Hills.

Guests from out of the state included the groom's parents, Mr. and Mrs. Duffield and brother, Charles, all of Beverly Hills, an uncle, William Wagner of Los Angeles, Calif., and Mr. and Mrs. Gordon Baum of Los Angeles.

The couple will reside in Los Angeles.

The rehearsal dinner was held Friday evening at the Missouri Athletic Club, St. Louis, for members of the bridal party and out-of-town guests.

Candlelight Ceremony for Johnson-Thompson Wedding

Miss Barbara Evelynne Thompson became Mrs. Stephen Roy Johnson in a candlelight ceremony taking place Saturday evening at First Presbyterian Church in Alton with Rev. Dr. A. Ralph Lynn, a former pastor of First Presbyterian Church here, officiating.

The bride is a daughter of Mr. and Mrs. Malcolm Thompson, 4170 Breckenridge lane. Mr. Johnson's parents are Mr. and Mrs. Roy J. Johnson, 636 Chouteau avenue.

Arrangements of white summer flowers adorned the altar for the 8 o'clock service which was followed by a reception in the church Fellowship Hall.

Preceding the ceremony Miss Sheila Gibbs sang the Lord's Prayer and "The Wedding Prayer," accompanied at the organ by Mrs. Helen Pierstad.

The candles were lighted by Miss Kathy Winkle and Miss Carole Dombrosky, and Miss Ray Johnson, an aunt of the bridegroom, presided over the guest book at the reception.

The bride's floor-length gown of mauve de soie was covered with a youthful Chantilly lace. The neckline was delicately scalloped, as were the elbow-length sleeves, and a bouffant Canelet high school and is presently a sophomore at Southeast Missouri State College, Cape Girardeau.

A tiered butterfly veil of silk illusion was secured with a pearl headpiece of illusion and miniature pearls. It was worn low over the forehead, revealing pearl tear drops.

Lilies of the valley and cymbidium orchids were combined in the bride's bouquet.

Mr. Thompson gave his daughter in marriage. In his remarks, Mr. Thompson said that the wedding was attended by the bride's parents, Mr. and Mrs. H. E. Thompson, Lincoln, Mo., Mr. and Mrs. D. W. Thompson, Silver Springs, Mo.; Mr. and Mrs. Elvie McDowell and family, Greentown, Ill.; Mr. and Mrs. Wilbur Thompson, Newman, Ill.; Mr. and Mrs. Sam McCall, Irving, Ill.; Dr. and Mrs. Albert Hunsicker and family, Peoria, Ill.; Mr. and Mrs. Hubert Cress, Hillsboro, Ill., and Mr. and Mrs. James Sager, Belleville.

The latter sang "Wedding Benediction" and "The Greatest of These Is Love."

The bride was escorted by her father, who wore a gown of white silk organza over peau de soie. Fashioned with a highrised bodice of hand-clipped Chantilly lace, it was topped with a flat bow of lace, a scooped neckline and short ruffled sleeves. Pearls etched the bodice in delicate detail, the modified A-line skirt featured cascading motifs of lace intermingled with miniature pearls.

The Watteau back panel fell from a bow of lace, sweeping into an aisle-wide Camelot train. Lace edged the entire train with back interest afforded by sprays of lace motifs and seed pearls.

A petal headpiece of silk organza, pearls and crystals held in place a bouffant tiered veil of imported silk illusion, and the bride carried a cascade arrangement of gardenias, stephanotis, tipped with pink. The bridesmaid was similarly attired in light blue with a bouquet of blue and white carnations. Both wore veiled headpieces and nose veils to match their gowns.

A short dress of light pink, Empire style, covered with white eyelet lace was worn by the flower girl who carried rose petals in a white basket.

Larry Johnson was his brother's best man, and groomsmen and ushers included Randy Corey and Donald M. Hadley E. David W., and Ralph L. Thompson, brothers of the bride.

For her daughter's wedding Mrs. Thompson chose a dress of light blue peau de soie covered with blue lace, white accessories and a corsage of gardenias and pink tea roses, while the bridegroom's mother appeared in a pink crepe sheath with a sequined cowl collar and pink and silver accessories. Her flowers were also gardenias and roses.

After a brief honeymoon at Pere Marquette Lodge, Gratiot, the newweds will reside at 4170 Breckenridge lane.

The former Miss Thompson attended the Granite City school and Southern Illinois University-Southwestern campus. Mr. Johnson was graduated from the local high school and is presently a sophomore at Southeast Missouri State College, Cape Girardeau.

A rehearsal dinner was given Thursday evening by the bride's parents at their home. Assisting Mrs. Thompson were Mrs. D. F. Winkle and Mrs. Betty Schmede. Misses Kathy Winkle and Carole Dombrosky, Lauren Stangle, Sheila Gibbs, Bonnie Schroeder and Mrs. Anette Thompson assisted at the reception.

Out-of-town guests attending the wedding were Mr. and Mrs. H. E. Thompson, Lincoln, Mo.; Mr. and Mrs. D. W. Thompson, Silver Springs, Mo.; Mr. and Mrs. Elvie McDowell and family, Greentown, Ill.; Mr. and Mrs. Wilbur Thompson, Newman, Ill.; Mr. and Mrs. Sam McCall, Irving, Ill.; Dr. and Mrs. Albert Hunsicker and family, Peoria, Ill.; Mr. and Mrs. Hubert Cress, Hillsboro, Ill., and Mr. and Mrs. James Sager, Belleville.

After a month's visit here, Mr. and Mrs. Slate will return to Norfolk where he is stationed.

MRS. STEPHEN R. JOHNSON, the former Barbara Evelynne Thompson, a daughter of Mr. and Mrs. Malcolm Thompson, 4170 Breckenridge lane, who was married Friday evening at First Presbyterian Church in Alton.

Richard Slate Is Baptized

Richard Dennis Slate, younger son of Navy Lt. and Mrs. Dennis Slate of Norfolk, Va., was baptized Sunday at Niedringhaus Memorial Methodist Church.

Mr. and Mrs. Irvin Slate Jr., uncle and aunt of the infant, were sponsors.

Present for the ceremony, and later at a picnic in Wilson Park were Mr. and Mrs. Irvin Slate Sr., paternal grandparents, Mr. and Mrs. Harold Luenstroth of Normandy, Mo., maternal grandparents, Mrs. A. Y. Slate and Mrs. Bertha Voss, great-grandmothers, Jeffrey Slate, a brother of the infant, Mr. and Mrs. Raymond Ramquist of Bloomington, Ind., Mrs. Eldon Voss, and daughters, Pennie and Part of Eureka, Ill., James Luenstroth of Normandy, Mo., Mrs. Edna Voss and Mrs. Sheri Schweigel and daughter, Sheri Ann of Columbia, Mo., Mrs. Charlene Voss, and Mrs. Robert Voss and daughters, Dawn, Sandy and Terry. Mr. and Mrs. Stephen Krotz, Robert and Elizabeth Ann Slate and Rev. R. Paul Sims, who officiated at the baptismal service.

After a month's visit here, Mr. and Mrs. Slate will return to Norfolk where he is stationed.

Miss Vartan Becomes Bride Of Walter Karl Wheeler

Among the first of the July weddings taking place the past week was that Saturday afternoon at First United Presbyterian Church of Miss Diane Vartan, a daughter of Mr. and Mrs. Jack Vartan, 2305a Benton street, and Walter Karl Wheeler, son of Mr. and Mrs. James H. Wheeler, 4131 Rode avenue.

The 2 o'clock ceremony was performed by Rev. David B. Maxton before the altar adorned with white gladioli and pom pons.

A program of wedding music was furnished by Kenneth MacClatchey, organist, and Mrs. John McCabe Moore, vocalist.

The latter sang "Wedding Benediction" and "The Greatest of These Is Love."

The bride was escorted by her father, who wore a gown of white silk organza over peau de soie. Fashioned with a highrised bodice of hand-clipped Chantilly lace, it was topped with a flat bow of lace, a scooped neckline and short ruffled sleeves. Pearls etched the bodice in delicate detail, the modified A-line skirt featured cascading motifs of lace intermingled with miniature pearls.

The Watteau back panel fell from a bow of lace, sweeping into an aisle-wide Camelot train. Lace edged the entire train with back interest afforded by sprays of lace motifs and seed pearls.

A petal headpiece of silk organza, pearls and crystals held in place a bouffant tiered veil of imported silk illusion, and the bride carried a cascade arrangement of gardenias, stephanotis, tipped with pink. The bridesmaid was similarly attired in light blue with a bouquet of blue and white carnations. Both wore veiled headpieces and nose veils to match their gowns.

A short dress of light pink, Empire style, covered with white eyelet lace was worn by the flower girl who carried rose petals in a white basket.

Larry Johnson was his brother's best man, and groomsmen and ushers included Randy Corey and Donald M. Hadley E. David W., and Ralph L. Thompson, brothers of the bride.

For her daughter's wedding Mrs. Thompson chose a dress of light blue peau de soie covered with blue lace, white accessories and a corsage of gardenias and pink tea roses, while the bridegroom's mother appeared in a pink crepe sheath with a sequined cowl collar and pink and silver accessories. Her flowers were also gardenias and roses.

After a brief honeymoon at Pere Marquette Lodge, Gratiot, the newweds will reside at 4170 Breckenridge lane.

The former Miss Thompson attended the Granite City school and Southern Illinois University-Southwestern campus. Mr. Johnson was graduated from the local high school and is presently a sophomore at Southeast Missouri State College, Cape Girardeau.

A rehearsal dinner was given Thursday evening by the bride's parents at their home. Assisting Mrs. Thompson were Mrs. D. F. Winkle and Mrs. Betty Schmede. Misses Kathy Winkle and Carole Dombrosky, Lauren Stangle, Sheila Gibbs, Bonnie Schroeder and Mrs. Anette Thompson assisted at the reception.

Out-of-town guests attending the wedding were Mr. and Mrs. H. E. Thompson, Lincoln, Mo.; Mr. and Mrs. D. W. Thompson, Silver Springs, Mo.; Mr. and Mrs. Elvie McDowell and family, Greentown, Ill.; Mr. and Mrs. Wilbur Thompson, Newman, Ill.; Mr. and Mrs. Sam McCall, Irving, Ill.; Dr. and Mrs. Albert Hunsicker and family, Peoria, Ill.; Mr. and Mrs. Hubert Cress, Hillsboro, Ill., and Mr. and Mrs. James Sager, Belleville.

The latter sang "Wedding Benediction" and "The Greatest of These Is Love."

The bride was escorted by her father, who wore a gown of white silk organza over peau de soie. Fashioned with a highrised bodice of hand-clipped Chantilly lace, it was topped with a flat bow of lace, a scooped neckline and short ruffled sleeves. Pearls etched the bodice in delicate detail, the modified A-line skirt featured cascading motifs of lace intermingled with miniature pearls.

Consumer Buying To be Surveyed

Householders in this area will be asked early in July about major expenditures they have made recently for cars, TV's, other major appliances, and about their future buying plans for these items.

In addition, home owners visited in the survey will be asked about expenditures on home improvement and upkeep during April, May and June. These questions are asked nationwide each quarter as part of the Census Bureau's Quarterly Household Survey, Director Theodore F. Olson of the Bureau's Regional Office in Chicago announced today.

Answers to the survey questions will provide guidelines to activity in certain important areas of the economy. For example, answers to this survey for earlier quarters indicated that of the estimated 50 million households in the U. S., 79% own at least one automobile, while 25% own two or more; 93% of the households own at least one television set, but only about 12% own a dishwasher.

The survey also indicates that persons who own and occupy their home spend an average of \$220 per year for maintenance repairs and improvements to their property. The identity of households included in the survey will be kept completely confidential, and the information obtained will be used only for statistical purposes.

County Schools, SIU-SW Plan 'Round Table' Talks

"Round table discussions" between the faculty of southern Illinois University and superintendents of county schools in southern Illinois will be held every two months at the Southwest campus, a university spokesman announced today. The meetings would be directed toward creating better lines of communication between county schools and the University.

Preview ISU Programs

Scheduled July 5-30

A series of two-day "Preview ISU" orientation meetings for the over 2000 freshmen who will enter Illinois State University this fall has been scheduled for July 5-30 at Normal. The preview meetings are designed to acquaint students and their parents with programs, services, and activities at the university. Students will live for the two days in a university residence hall, meet a faculty adviser, pre-register for fall semester classes, tour the university campus, and attend a number of departmental meetings.

Parents will be housed in residence halls apart from their son or daughter and will attend programs and informal meetings with small groups of other parents.

Circuit television programs about campus academic and social life were a popular part of the first preview program in 1969 and are being repeated this summer.

Charles McBratney, coordinator of orientation services for the office of the Dean of Students, directs "Preview ISU" with the assistance of a staff of 10 university junior and senior students.

Crash at Intersection

Involved in a collision Thursday afternoon at Braden and Oakland avenues were a station wagon and a sedan, both driven by Darrell Batson, 2709 Harding blvd., and Teddy Tidwell of Nashville, Tenn. Police said Batson was going north on Braden and Tidwell was traveling west on Oakland.

Social Concerns Council to Adopt By-Laws 11 Charged with Going Wrong Way

Members of the Quad-City Social Concerns Council will consider adoption of a formal constitution and by-laws Wednesday morning at the group's monthly meeting at St. Elizabeth Hospital, it was announced today by David L. Walker, who is serving as temporary chairman.

Copies of the proposed constitution and by-laws were mailed last week to council delegates, who represent most of the health, welfare, social services and related agencies in the Quad-City area, Walker said. Initial formation of the central advisory board began last fall, with participants reaching agreement on purpose and objectives earlier this year. Formal monthly meetings were started in February.

Purposes of Council

In accordance with the proposed constitution, purposes of the Quad-City Social Concerns Council will be:

1. To advance the social welfare of the community by studying social conditions; analyzing and estimating social needs and the community resources necessary to meet them; developing a flexible general welfare plan; and devising ways and means of carrying such plan into effect.
2. To promote cooperation among social agencies, public and private.
3. To develop higher standards and to promote greater efficiency in all agencies, individually and collectively, to prevent waste and to eliminate duplication of effort.
4. To advise in the undertaking

of new work by existing agencies, or in the formation of new agencies.

5. To promote in all ways possible, the proper development of all public and private agencies dealing with social problems.

The proposed constitution continues . . . agencies and organizations, public and private, and health, welfare, recreation and community services shall be eligible for membership in accordance with the by-laws or the merits of accomplished work or work proposed, provided no part of the net income inures to the benefit of any individual members.

It also states the council shall be incorporated under the Illinois Non-Profit Act; the affairs managed by a board of directors; and officers will consist of a president, two vice-presidents, a secretary and a treasurer, who shall be elected annually by the board of directors among its members.

In event of dissolution of the council, without a successor organization formed, the constitution states that any and all such assets as may exist at that time are to be distributed to such United Funds, or similar profit raising organizations, as originally made allocations or grants to the council.

Terms of Membership

The council's proposed by-laws provide that any non-profit agency or any governmental agency which is engaged in health, welfare, recreational or

11 Charged with Going Wrong Way

Arrest tickets on charges of traveling in the wrong direction on a one-way street were issued to 11 motorists Thursday afternoon and evening in the vicinity of North Broadway and State street and in the short section of the 2000 block of State street north of Washington.

One driver, LeRoy Smith, 2642 Lincoln avenue, also was charged with fleeing police.

Others issued wrong way tickets were: Leo J. Wolf, 2009 Clark; Ivan Shearburn, 2316 Edwards street; Helen Urban, 940 Greenwood street; Vernon Willis, 6 Devon Hill lane; Steve Fitzgerald, 4070 Meadow lane.

Lawrence Wyatt, 2304 Benton street; Virginia Segar, 2533 Delmar street; James McCabe, 1701 State street; Walter Warfield, 2010 Lindell blvd., and Esaki Knapp, 1612 Mitchell avenue.

Maj. Gen. John Norton Takes AVCOM Command

Major General John Norton, former commander of the First Cavalry Division (Air Mobile) in Vietnam, assumed command of the downtown St. Louis Army Aviation Materiel Command (AVCOM) in ceremonies held at Soldiers Memorial Friday.

Gen. Norton is a native Virginian who considers Round Rock, Tex., his permanent home and includes the study of languages among his hobbies.

He and his wife, Mrs. Cheney Norton, and their two daughters, Alexandria, 16, and Cheney, 14, will reside in quarters on the main avenue; James McCabe, 1701 State street; Walter Warfield, 2010 Lindell blvd., and Esaki Knapp, 1612 Mitchell avenue.

State Job Openings In Madison County

The state is trying to fill several job openings in Madison county, all with increased pay. Miss Maude Myers, director of the state department of personnel, said the state's new pay plan, which became effective Saturday, "implements many new pay grades with higher minimums and maximums and affords present and future employees salaries that compare with, in many cases, exceed, those in other states."

Improper License Display

Naomi Randall, Summerville, Mo., was given an arrest ticket Thursday charging improper display of state license plates on the car she was driving at Nameoki road and Lindell avenue. The case was set for hearing July 14.

Woman Who Fired Shots At Husband Pays Fine

Jennie Braggs, 23, East St. Louis, was fined \$50 on a charge of discharging a firearm in the city last week when the woman voluntarily appeared at the Granite City police station.

Police reported that Mrs. Braggs waited Monday night at the entrance to the American Steel Foundries plant for her husband, George H. Braggs, 24, East St. Louis, and fired two shots at him, then drove away in her husband's car. Mrs. Braggs pleaded guilty to the firearm charge, paid the fine and was released.

W. C. Colonius Dies

Funeral services were held Friday at Largo, Fla., for Wallace C. Colonius, 68, formerly of Alton, who died at Morton Hospital, Clearwater, Fla., following an illness of several months. He formerly was an accountant for American Steel Foundries here, and at ASF plants at Chicago and Alliance, Ohio, before retiring and moving to Florida.

Mrs. Richardson Looking Forward to 100th Birthday Party

The same year (1867) the United States purchased Alaska from Russia for the trivial sum of slightly more than \$7 million, Mrs. Minnie Richardson, a local resident for more than half-a-century, was born at her grandmother's home near Staunton, Ill.

On Saturday, Mrs. Richardson, who resides at 1815a Delmar avenue, will celebrate her 100th birthday. She has been a member of the Methodist Church for 84 years, joining at Wanda, Ill., when she was 16 years old.

Her family and friends will observe the centennial anniversary Sunday afternoon at an open house to be given from 2 to 4 p.m. at the Rose Bowl. An invitation is extended to all friends of the honoree to call during the two-hour open house event, a family spokesman said today.

Living Children

Mrs. Richardson has seven living children. Her family includes five daughters, Mrs. Golda Thornburg, Mrs. Sylvia Richey, Mrs. Marge Roberts and Mrs. C. E. (Ruth) Townsend, all of Granite City, and Mrs. Edna Newman of Alton; and two sons, Courtney Richardson of Alhambra and Samuel Richardson of Millstadt.

Three other children died at a young age and a son, Clarence Richardson of Granite City, died in 1933. Her husband, Thomas E. Richardson, whom she married in 1886 at Edwardsville, died in February 1920.

Additionally, Mrs. Richardson's immediate family consists of 14 grandchildren, 34 great-grandchildren and seven great-great-grandchildren.

One granddaughter, Mrs. David Clement, the former Nancy Townsend, and her two sons, Steven, three years, and Thomas, 16 months, arrived home Thursday from Perth, Australia, in time for the celebration.

Oldest of 10 Children

The oldest child of Augustus and Ellen Sparks, Mrs. Richardson

MRS. MINNIE RICHARDSON

has outlived her nine young brothers and sisters. Her lifetime started just two years after the guns of the Civil War were silenced and spans an era that saw inauguration of 20 presidents and transition from horse and buggy to jet aircraft.

Until the age of three years, she and her parents resided on a farm near Mount Olive, after which the family moved to an open farm in the Poag area.

Mrs. Richardson and her husband, also a farmer, remained in Poag until 1912, when the couple moved to Granite City. Here, Mr. Richardson purchased a team of horses and a wagon and started a hauling business. Later, he worked at Granite City Steel Co. until his death.

Believes in Hard Work

Commenting on her philosophy for a long and fruitful life, the alert centurion who appears much younger than her 100 years, said "I believe that hard work never killed anyone and I have worked my entire life."

"My Daddy made a stool for me to stand on so I could wash

the dishes when I was very young. In those early years, I washed, washed dishes, re-hoed melons and worked at all the other chores needed to be done on a farm."

"I've never owned a washing machine, I always used a wash-board and tub," she added that her husband had offered to buy her a washing machine—"the kind you turned back-and-forth by hand, but I preferred to stay with the washboard."

People Have Changed

Asked her views on the changes she has noted in the world around her, Mrs. Richardson's immediate comment was somewhat surprising. Instead of Wings, she related that her comparing the enormous technological achievements, advances it for her some years before.

When interviewed Thursday, she was relaxing in her usual rocking chair beside an open window, watching the world go by, and embroidering pillowslips. She mentioned that the apartment is fully air-conditioned, but that she likes fresh air and prefers to raise the window.

Despite her years, Mrs. Richardson accomplishes a considerable amount of fine embroidery work and crocheting. Asked if she enjoyed viewing television, she replied, "Sometimes, but I think it's a little harder on the eyes than sewing."

She frequently chats on the telephone with friends and members of her large family and enjoys entertaining visitors.

Obviously pleased by her family's plans for the open house Sunday, Mrs. Richardson observed rather drily, "They are making more fuss over this birthday of mine than I remember since the sixteenth birthday party given for me by my folks."

"It was the first party I'd ever had and a really big occasion in my life. I believed in those days that after I became sixteen, I would be my own boss." She admitted, however, that with her many progeny she still was waiting for that day to polish the furniture, clean arrive.

"My Daddy used to take me everywhere with him. When we moved within the past century, he'd load the wagon with corn and off we'd go to the market in St. Louis. When the river was frozen and the ferry boats didn't run, there wasn't any other means of transportation."

"I'd sit atop the corn he was taking to market and off we'd go across the river on our two-horse wagon," she commented.

Does Own Housework

Mrs. Richardson continues to do her own housework, and her three-room modern apartment is spotless. She admitted she still polishes the floors, but she

Three Men Charged

Answering a complaint Saturday evening that a fight was in progress in the 2700 block of West 20th street, police arrested Erwin Porter, 23, of 3005 West 20th street, and Pat Dorich, 21, of 284 Madison avenue, Madison, on charges of disorderly conduct. Dorich also was charged with being intoxicated. On Sunday, Robert Coakley, 23, of 509 Iowa street, appeared at police headquarters and was charged with disorderly conduct.

Acrobatic Cyclist

Police received a complaint about 8:45 p.m. Friday that a motorcyclist was standing on the seat while riding in the vicinity of St. Clair and Buxton avenues. The area was searched, but the acrobatic cyclist was not located.

FIRST PLACE PLAQUE in north central regional judging of novice roller skating pairs is displayed by the recipients, Miss Jo Ann Meyer of Granite City and Gary Baumgartner of St. Louis. They will seek the national championship at Lincoln, Neb.

Mercer, Miss Meyer in National Skating Meet

Miss Jo Ann Meyer, daughter of Mr. and Mrs. Oliver Meyer, 3152 Rodgers avenue, and Keith Mercer, son of Mr. and Mrs. Alvin Mercer, 2208 Rock road, will be among those seeking national roller skating championship honors in Lincoln, Neb., July 28-Aug. 8.

The competition will be conducted by the National Amateur Roller Skating organization, putting together skaters who qualified through regional judging in the U. S. and Canada.

North central region representatives were determined at Kansas City, Kan., from where the local contestants returned last week.

Skating with Gary Baumgartner of St. Louis, Miss Meyer placed first in novice pairs. She also qualified for the national meet in junior girls' singles, in which she finished third.

Mercer and Miss Sue Owensby, St. Louis, placed third in junior dance to advance to the national. Miss Owensby was second in junior girls' figure skating.

The local teams will be accompanied to Lincoln by Mr. and Mrs. Meyer and Mr. and Mrs. Mercer.

20th and State Crash

Autos driven by Robert Tyler of Millstadt, who was going east on 20th street, and Terry Phillips, 1916 Harris street, Madison, who was traveling west, collided yesterday at the State street intersection where Phillips was making a left turn.

NATIONAL CONTENTENDERS in roller skating junior dance competition July 28-Aug. 8 in Lincoln, Neb., are Miss Sue Owensby of St. Louis and Keith Mercer of Granite City. They qualified at regional judging in Kansas City, Kan.

Divorce Decree Granted

A divorce decree was granted in circuit court at Edwardsville Thursday afternoon to Arlene Revelle of Granite City against Bobby Revelle. The couple was married Nov. 23, 1959, and separated May 1, 1966, according to the decree issued by Associate Judge Austin Lewis. She was given custody of two small children, and the defendant was ordered to pay attorney fees and court costs. The complaint charged habitual drunkenness.

2 Local Inter-City Games Tuesday; 1-Hitter Sunday

Bruce Thompson pitched a one-hitter for Mercer Funeral Home as it blanked East St. Louis Polish-American 7-0 in a road game Sunday to remain a game and a half out of the Blue Division lead in the Inter-City Baseball League.

Granite City Steel Credit Union won 12-6 and 10-5 in a twinbill with the Collinsville Utes, and Sacred Heart lost a doubleheader 18-15 and 7-3 to Collinsville Motor Motors at Wilson Park.

Blue Division leader East Alton beat Pocahontas 9-4 in a doubleheader, Maryville won the first game 4-3 and Troy, Red Division front-runner, took the second 1-0.

All three Grand City teams will see league action here tomorrow, the Fourth of July.

Near-Perfect Game
Thompson pitched the first 24 batters in order before allowing a ground-rule double to the lead offman in the ninth. He walked nobody, fanned 11 and now sports a 6-1 won-loss record. Thompson faced only 28 batters.

Mercer scored twice in the third when Harold Tankley and a few d. Thompson singled. David Sparks reached base on an error and Larry Ripka doubled, scoring Thompson and Sparks.

In the sixth, Ripka walked and was sacrificed to second by

Arvil Taylor. Charles Mizerski singled, scoring Ripka. Three runs scored in the seventh as Tankley and Thompson singled. Sparks doubled and Ripka and Taylor singled.

The final run scored in the eighth when Mizerski doubled and Tankley and Greg Patton singled.

Mercer totaled 11 hits and one error, and East St. Louis the one hit and one error. Ripka, Tankley, Mizerski and Thompson contributed two hits apiece and Ripka drove in three runs.

Winfield Fans 10
Doug Winfield racked up 10 strikeouts, issued four walks and gave up five hits in seven innings on the mound for Granite City Steel Credit Union in its first victory over the Utes.

He was relieved in the eighth by Pat Harris, who gave up two hits and fanned two. Barry Sykes led the first game offense with four hits in five times at bat. Terry Turner, Nick Podoba and Sykes each had two RBIs.

In Credit Union's second victory, Sykes won after relieving pitcher Larry Harmon in the third. Sykes gave up two hits, struck out six and walked seven. Turner, Larry Anderson, Sykes and Harris each had two hits.

Credit Union Moves Up
With the double win, Credit Union moves into third place in the Blue Division.

Sacred Heart opened the scoring in the third, but Moltor tied the score in the fifth and gained

a two-run advantage in the seventh. The Hearts countered with two in the eighth to make the score 4-3, but three more Moltor runs assured the victory.

Steve Schardan scored on a Moltor error after singling and Roy Logan scored on Tom Barnett's single in the eighth.

The Hearts tallied seven hits in the first game while Moltor amassed 14.

33 Hits in Game
In the second game, Sacred Heart players Frank Hildeg and Larry Corey both homered and the team garnered 16 hits compared to Moltor's 17 hits.

Moltor scored single runs in the first and second, and the Hearts countered with two in the third. Both teams battled for the lead until Moltor's five-run eighth, lining made the score 18-12. Sacred Heart's rally produced three runs in its last time at bat.

Hildeg and Schardan led the Hearts with three hits each, and Logan, Corey, and Victor Buehler had two hits apiece.

Inter-City Independence Day games have Granite City Steel Credit Union playing East St. Louis Polish-American on the Coolidge junior high school diamond here, Sacred Heart playing Mercer at Wilson Park, Troy at East Alton, Collinsville Motor Motors playing the Utes at Fletcher Field, Collinsville, and Maryville playing at Pocahontas. All games will begin at 2:30 p.m.

Pfc Kenneth Hayes Arrives in Da Nang

Marine Pfc Kenneth V. Hayes, son of Mr. and Mrs. William Hayes, 1428 Norwood drive, recently arrived in Da Nang, Vietnam, where he is serving with the First Marine Regiment of the First Marine Division.

Marines of the regiment form the ground element of the Marine Corps air-ground team, and conduct large scale search-and-destroy operations against the enemy in South Vietnam.

Seaman Harvey L. Beaver
Seaman recruit Harvey L. Beaver, 19 son of Mr. Harvey P. Beaver Jr., 1621 Courtney blvd., recently was graduated from six weeks of Navy basic training at the Naval Training Center in Great Lakes, Ill.

Seaman Beaver studied military subjects at the Center and lived and worked under conditions similar to those he will encounter on his first ship.

James H. Simpson
At ROTC Training Camp
James H. Simpson, 24, son of Mrs. Sylvia C. Simpson, 3811 Marmora road, is attending Reserve Officers' Training Corps basic camp at Ft. Benning, Ga. Simpson is a student at Washington University, St. Louis. He is attempting to earn an Army commission through the new two-year ROTC program.

He is receiving six weeks of training similar to that given all Army basic trainees, including field marksmanship, bayonet training, hand-to-hand combat and first aid.

Successful completion of the basic camp will qualify him for the Advanced Corps at the college. The two years of advanced training at the school and additional summer camp emphasize skills necessary to command. He will be eligible for a commission as second lieutenant in the U. S. Army upon graduation from college.

Simpson was graduated from Granite City high school in 1961. His father is James H. Simpson, of Ft. Atkinson, Wis.

Hacke Graduates from Great Lakes Center
Mr. and Mrs. Fred L. Hacke, 26 Riviera drive, attended the graduation of their son, Charles W. Hacke, U. S. Navy recruit, from the Great Lakes Naval Training Center, Great Lakes, Ill. The son, a 20-year-old senior, recently completed boot training, was among approximately 1000 seamen-recruits participating in Friday's ceremonies.

Hacke will arrive home this Friday for a 14-day leave. He will report to Davisville, R. I., where he has been assigned for additional schooling.

Airman Allen Completes Journalism Course
Airman Third Class Ethan E. Allen, son of Mr. and Mrs. John E. Allen of Rural Route One, has been graduated from the Defense Information School's Basic Military Journalism course at Ft. Benjamin Harrison, Ind.

During the 18-week course, Airman Allen was provided with training in information and communications techniques to prepare him for assignment at all U. S. Air Force levels of command. The airman, a 1965 graduate of Granite City high school, attended Southern Illinois University.

Four Men in Custody On Liquor Charges
Four men were arrested early today at the Kirkpatrick Homes housing project following a disturbance about 12:30 a.m. in the 2900 block of Warren avenue. The quartet was in an auto when taken into custody.

The driver, Wendell Tackett, 24, of 2135 State street was charged with illegal transportation of liquor, unlawful use of a weapon, a small caliber pistol, and improper use of a registration title. Charged with illegal possession of liquor were Phillip Manning, 22, of 1202 Kirkpatrick Homes; Ricky Atchey, 20, of 226 East 34th street; and Bobby Gene Copeland, 23, of 1918 Skeen street.

Jaycees and Jayceettes Install New Officers

Michael Day, 2807 Benton street, an account executive with Radio Station Wgnu, was installed as president of the Granite City Jaycees, at installation ceremonies conducted Saturday evening. He succeeds Boyd Presley.

The dinner-dance affair at the Round Table restaurant, near Collinsville, also was highlighted with the installation of Mrs. Sandy Peterson, 1845 Spring avenue, as president of the Granite City Jayceettes, succeeding Mrs. Kathy Jeffries, the retiring president.

Larry Stroup of Dixon, Ill., a Jaycee national director, served as installing officer. He also discussed briefly various programs and objectives of the Jaycees' national organization.

The invocation was offered by David Walker and guests introduced by Presley, who expressed his appreciation to club members for support and cooperation during his tenure.

Other new Jaycee officers installed for 1968-69, included Walker, first vice-president; James Watkins, second vice-president; Ronald Pennell, third vice-president; Gary Sans Souci, secretary; Larry Patton, treasurer; Ted Nieciecki, state director; Jack Ritchie, James Jeffries, Richard Dawdy, Floyd Peterson, Donald Partney, Richard Dmitroff, and

William Eaton and David Stetten, directors; and a Presley, board chairman.

New Jayceettes officers installed with Mrs. Peterson, were Mrs. Sharon Ritchie, vice-presidents, and Mrs. Joyce Walker, treasurer. To be installed at a later date are Mrs. Nava Ward, recording secretary, and Mrs. Marilyn Daine, corresponding secretary.

Top awards for noteworthy achievement within the past 12 months were presented to David Walker, who was named "Outstanding Old Jaycee of the Year," and to Ted Nieciecki, who received the "Outstanding New Jaycee" trophy.

James Jeffries was named recipient of the 1966-67 "Key Man" award. Special presidential citations also were presented to William Herbst, James Watkins and Floyd Peterson, in recognition of service to the club.

Richard Dawdy was announced as winner of the May "Jaycee of the Month" title, while the same honor for June was awarded to Richard Dmitroff. The Jaycee Building committee, headed by Grad Krause, was named "Committee of the Year."

Special entertainment was presented by Miss Linda Saba, Miss Granite City who sang a selection of melodies including "Thor-oughly Modern Millie," "Misty" Partney, Richard Dmitroff, and "Going to Kansas City."

JAYCEETTE 1968 OFFICERS installed jointly with Jaycee officers Saturday are, left to right—Mrs. Joyce Walker, treasurer; Mrs. Sandy Peterson, president; Mrs. Sharon Ritchie, vice-president and Mrs. Kathy Jeffries, retiring Jayceette president.

Corbin Winner In 15-Mile Big Car Sprint Race

Tom Corbin, Carrollton, Mo., beat out a talented field of 39 racers to win the 15-mile grand championship sprint car meet at Tri-City Speedway Saturday night.

Jerry Richert, who had been favored in the race and had won it for three consecutive years, captured his best race but was forced out of the running on the first lap of the main event when his car's crankshaft broke.

Chuck Taylor, East Alton, and Chuck Lynch, Springfield, Ill., finished second and third, respectively, in the feature event. Charlie Masters of Wadsworth, Ky., won the semi-feature event, and Chuck Lynch was the fastest qualifier.

Winners of the four heat races were Lynch, Jay Woodside, Kansas City, Mo., Jim Moighan, Springfield, Ill., and Richard Lake Forest, Minn.

This was the second big-car sprint race program to be held here, the local track and it featured International Motor Contest Association cars of unlimited engine size.

The times were faster this week than in last week's sprint race, when U. S. Auto Club cars, with engines limited to 325 cubic inches, were entered.

Hole-in-One Sunday By Attorney Gitchoff

John Gitchoff, Madison school attorney and city corporation counsel, is receiving congratulations on a comparatively rare golfing exploit, a hole in one, achieved on the 155-yard No. 4 hole at the Arlington golf course yesterday.

Gitchoff was a member of a threesome that included Gene Elgan and O. Brown, and the accomplishment also was witnessed by other golfers nearby at the time. He used a No. 7 iron on the par-three hole.

116-Year-Old Water Wheel Grist Mill Only One in State

You can visit the only water wheel grist mill in operation in the state of Illinois. Tiny Salt Creek still turns the massive hand-carved wooden water wheel of 116-year-old Graue Mill just west of Chicago. As you approach Old Graue (rhymes with brown), you hear the rhythmic churning waters as the wheel slowly turns.

Every 15 minutes a white aproned miller rings the bell which announces that he will soon feed kernels of corn into the hopper. The one-ton stone spins and out pours the finely ground corn meal. In the early days of our state, the grist mill was the center of community life. Where water fell, or could be made to fall, was the potential site for a grist or lumber mill.

Old Graue Mill which served the community for 60 years was an important part of the economic growth of the rich countryside—now known as Hinsdale.

Trip to Mill—Visiting Time
Farmers came with their oats and wheat and corn and gathered all the latest news to take back to the women in the farmhouse. When the mills were operating continuously, a fine white

dust covered the room, and the wheel grist mill in operation in the state of Illinois. Farmers came with their oats and wheat and corn and gathered all the latest news to take back to the women in the farmhouse. When the mills were operating continuously, a fine white

during the Civil War period. Runaway slaves were hidden by Miller Graue as they fled north to sanctuary in Canada.

The mill served as an important asset to the Hinsdale area for several generations of the Graue family. Finally at the turn of this century it was rendered obsolete by modern milling methods. The beautiful three-story stone building stood vacant for almost half a century.

In 1950, almost a hundred years after Miller Graue had completed his mill, it was taken over by a not-for-profit group. Now it is in operation from mid-May through October. There is a small charge for admission which not only includes the milling demonstration but also access to the two floors above which contain many interesting relics of the past.

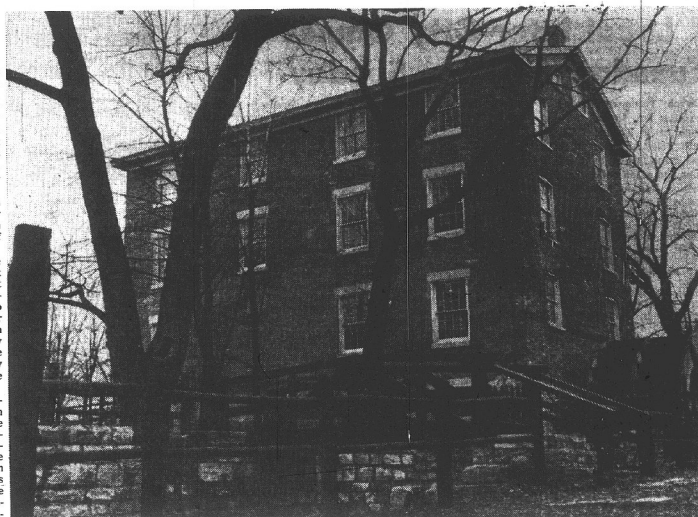

The exhibits on the upper floors capture the atmosphere of rural America in the last half of the 1800's. The second floor had been used for grain storage in the time of the Graue family. On display now are early farm implements and a miniature replica of a barn. Many interesting paintings realistically depict farm life and chores.

Hand-Hewn Blocks
Following the hand-hewn blocks of wood serving as stairs to the third floor, this unusual museum includes a duplicate of an early post office and an Old Country Store with celluloid collars and high button shoes. Throughout this floor are authentic replicas of the rooms in rural homes... a kitchen, sitting room, and bedroom.

Quaint dolls are assembled in the special Children's Corner which has a universal attraction regardless of the age or sex of the spectator.

A trip to Graue Mill gives the visitor much to see and think about. From the cool basement with its massive stone foundation to the first floor which also has a collection of Civil War relics, to the fully-equipped barn on the second floor and the array of exhibits on the third floor, one is impressed over and over by the magnificence of the structure which Miller Graue built.

Graue Mill is located in Oakbrook, just off York road, north of Ogden Avenue. It seems to be surrounded by many major expressways, crisscrossing one another in close proximity to the Mill, but it stands alone in shaded solitude. Most visitors linger, as they leave, along the split rail fence watching the picturesque wheel peacefully turning while little Salt Creek sings a merry tune of past times and historic events.

Strickland, Editor of Top Army Paper, Leaving Depot

Herbert C. Strickland, 2541 Angela drive, editor of "The Graniter," award-winning Granite City Army Depot publication, since November 1964, will leave the Depot effective Friday, July 7, to accept a new position at Fort Campbell, Ky.

Senior vice-commander of Tri-City American Legion Post 113, Strickland was unopposed for election as 1967-68 commander but declined the office due to the scheduled transfer.

He will become command information officer for the 101st Airborne Division and the post command at the Kentucky Army base.

Named Best in World

The Graniter has just been named by the American Heritage Foundation as the best multi-copy-reproduced newspaper in the Army anywhere in the world. The award is a first for the Depot and for the Army Materiel Command.

The weekly newspaper, published on Fridays, has a circulation of 1700, including military installations and government offices in all parts of the world. It is a member of the Armed Forces Press Service.

The officially authorized publication is prepared under the supervision of Col. Charles E. Hoskin III, commanding officer of the Depot, George E. Eubanks, information officer, and Strickland.

Air Force Veteran

A veteran of 11 years in the Air Force, 1948-59, he served in Korea in 1950. He held the rank of technical sergeant at the time of technical corps at the time of his discharge.

Peace Corps Placement Tests Set Saturday

Quand-City residents interested in joining the Peace Corps can take the placement test at 1:30 p.m. Saturday at the St. Louis Federal building, 1320 Market, Room 1719.

The test is designed to measure general aptitude and ability to learn a foreign language, rather than education or achievement, according to a Peace Corps representative. It is given to determine where and how an applicant will be utilized overseas, and will last an hour and a half, he said.

Application forms, required for taking the test, are available from local post offices or from the Peace Corps in Washington, D. C., 20525.

Auto Hits Pole

An auto driven north on Kate street by Nina Bartow, 18, of 2119 Missouri avenue crossed the street and struck a pole Friday afternoon. The motorist told police she apparently had blacked out. No injury was reported.

There is a new plan for Americans who want to help their country as they help themselves. Now, when you buy U.S. Savings Bonds through Payroll Savings where you work or the Bond-a-Month Plan where you bank, you are also entitled to purchase the new higher-paying Freedom Shares. They are available on a one-for-one basis with Savings Bonds in four denominations and are redeemable after one year. Sign up soon.

Questions and answers about Freedom Shares.

- What are Freedom Shares?
- They are the new U.S. Savings Notes—a companion product to the Series E Savings Bond.
- Who may buy Freedom Shares?
- Any individual who purchases Series E Bonds regularly through a formal plan—either Payroll Savings where he works or Bond-a-Month where he banks.
- What is the interest rate on Freedom Shares?

A. 4.74% compounded semiannually, when held to maturity of 4½ years. The rate is less if redeemed prior to maturity; and they may not be redeemed for at least one year.

Q. Does this same rate now apply to E Bonds?

A. No. E Bonds continue to return an average of 4.15% when held to their seven year maturity.

Q. What do Freedom Shares cost?

A. They are issued in face amounts of \$25, \$50, \$75 and \$100. Purchase prices are \$20.25, \$40.50, \$60.75 and \$81.00.

Q. Can Freedom Shares be bought by themselves?

A. No. They must be bought in conjunction with E Bonds of the same or larger face amounts. For example, a \$25 Freedom Share may be bought with a \$25 E Bond, when on a regular plan. The total price would be \$39 (\$20.25 for the Freedom Share and \$18.75 for the Bond).

Q. Can I buy as many Freedom Shares as I want, as long as I buy E Bonds of the same or larger amounts?

A. No. On Payroll Savings, Freedom Share deductions are limited to \$20.25

per weekly pay period, \$81.00 per monthly pay period. On Bond-a-Month, the limit on Freedom Share deductions is \$81.00 per month. There is also an annual holding limit of \$1,350 (face amount) of Freedom Shares issued in any calendar year to any one person.

Q. How will the Freedom Shares be registered?

A. Registration must be identical with the E Bonds bought in combination.

Q. Are Freedom Shares subject to taxation?

A. The same as E Bonds. Interest is subject to Federal income tax, which may be deferred until maturity or redemption (whichever comes first). Interest is not subject to state or local income taxes. Current values are subject to estate, inheritance, gift and other excise taxes, both federal and state.

Q. Will Freedom Shares be extended beyond maturity, as E Bonds have been?

A. No. Under existing law, there is no provision for extension.

EVERY MONDAY
AND THURSDAY
OVER

18,500 QUAD-CITY FAMILIES

BUY AND READ THE PRESS-RECORD

And they know what's going on in our area. Women are up with the latest fashions and social activities. The men are aware of new styles and sports news. The youngsters are "hep" to latest trends and abreast of youth activity reported in "Youth Focus." Rural news, political news and school and college activities are covered extensively. The service man's activities are also covered...and he can keep up with "home town happenings" when he reads his paper. For "keeping up with things"—all things of local interest from city hall to the price of bacon and eggs—nothing does it better than reading the "Press-Record."
